A Fond Farewell ...
... To An Old Friend

The Reverend George Vrabely, former Director of Bishop Noll Institute, Principal, teacher, and friend, left the Bishop Noll community to assume the pastorate at St. Peter's parish in LaPorte, Indiana. It was a sad—but happy—occasion. Sad because we will miss him—happy because he is happy to resume his ministry as shepherd to a new flock. We thank Father Vrabely for his gifts of love, service, and many beautiful memories.

High School is a waste of time . . .

. . . unless you find a job that turns you on and makes good use of your education. Inland Steel wants only people who want to use everything they've learned in high school--and strongly desire to grow personally and in their chosen field.

Inland's future growth depends on the creativity and productivity of its people. If you want a really challenging opportunity to contribute--with the rewards and responsibilities that go with it--Inland wants to talk to you.

We need action-seeking graduates for opportunities in clerical . . . production . . . technical . . . and craft apprenticeship areas.

Think it over. If you have high aspirations and a good high school record, take time to find out about a career with us.

From the Editor ...

Memories ... that is what remains.

The work is finished and it is time to remember ... Remember how the fourth deadline was almost missed with seventy pages due in two short weeks? Remember the misery of no decent pictures to use? But remember, too, the surprise birthday parties! Remember the happiness of getting to know the people who make B.N.I. a beautiful school! Remember the afterschool meetings with George Kingsley of Paragon Press, and roaming the halls with Root Photographer Larry Crist. Remember the superlative joy of finishing the last layout. And finally, remember two of the most important people on the staff and in my life—Maggie and The Boss.!!

Some memories are captured in this yearbook and some are captured in the heart and the mind. Memories may fade, but the three years I have spent on the **Marquette** staff—twice as Editor-in-Chief—will definitely leave a lasting impression.

Julie Lech
